The Las Vegas shooting

by Dalton Rousseau

At the end of September, a concert occurred in Las Vegas, Nevada. A terrible tragedy happened that shocked the whole country. During the concert there was a sudden noise, almost the sound of fireworks.

People thought the sounds were part of the concert. The reality was that someone was firing bullets down to the people at the concert. Concertgoers ran and hid, ducking under cover from the metal rain that was penetrating the crowd from above.

Eventually, people figured out where the gunfire was coming from. According to The Washington Post, the shooter was on the 32nd floor of the Mandalay Bay Resort and Casino. This demon of a man's name was Stephen Paddock. He was 64 years old.

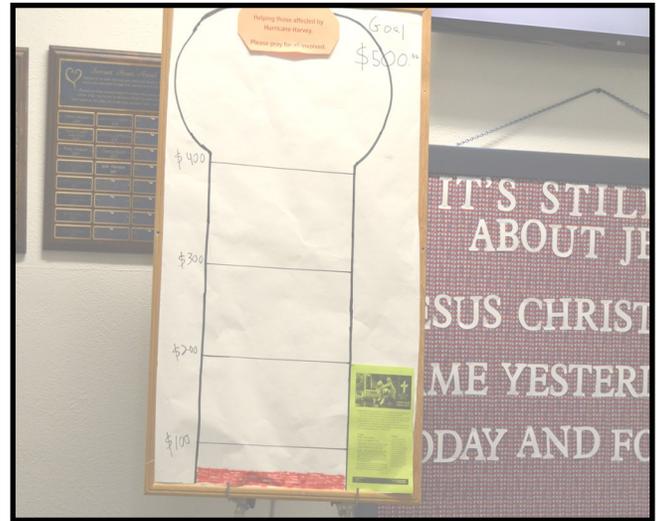

The FBI and LVPD listed the number of victims at 59 dead and over 500 injured. Today, people are still trying to work out what drove him to do this.

This tragic event shows that the devil is real. As Christians, we need to show God's grace by helping and praying for the victims. God works in mysterious ways, but as children of God, we know that this all happened for a reason.

This man was possessed by the devil. Evil is in this world and we need to know how to fight it. The only way to fight this evil is the Holy Word of God.

Chapel Offering

by Kayla Foss

I interviewed Mr. Sandcork concerning our chapel offering. I wanted to know who we're praying for and how we are doing.

The first question I asked him was, "What happened to Texas?" He told me that there was a hurricane there, and people died.

Texas residents are recovering from the hurricane. We want to show them God's grace and how Jesus died on the cross to save us.

The next question I asked him was, "How much money do we have so far?" He told me that he didn't know, and I should ask Ms. Littlefield. I did, and she told me that we have \$126.

The last question I asked Mr. Sandcork was, "What will our next chapel offering support?" He told me that it will go to Lutherans for Life.

SPORTS

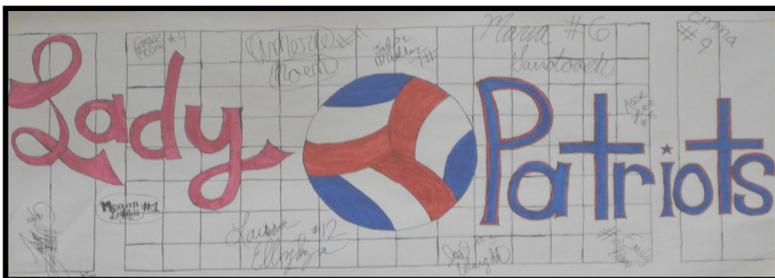

by Maria Sandork

On October 10, 2017, the Hope Lutheran High School Patriots played their annual charity volleyball game to raise money for breast cancer research. The gym at Immanuel Lutheran in Lewiston was alive with fans in pink, posters all around, and exciting volley matches.

A halftime game involving games and prizes was provided by Hope Lutheran’s Student Council. A prize for wearing the most pink went to Mrs. Brenda Heimgartner. Also, a bake sale was held for the cause. All the money made went towards finding a cure for breast cancer.

The Patriots faced the Coulee Christian Eagles. JV played first and swept the team, two matches to zero. Varsity also won by a large margin, destroying the opponent in three matches.

Thanks to all volunteers and helpers who made the evening a success!
